

We are surveying Castle Ward residents to find out whether Coronation Field, Freeman's Wood and the Back Playing Fields have been used by the public, by right, for at least 20 years.

Different people mean different things when they talk about Freeman's Wood. To avoid any doubt, we mean all the land in this area which is more or less covered in trees and shrubs.

If so, we will apply for the land to be registered as a Town Green to which the public have a right of access and which cannot be built on.

Please help by completing this form if you have used this land.
